

A black and white photograph of a woman with short, wavy blonde hair, smiling slightly. She is standing on a rooftop terrace, leaning against a modern, dark-colored chair. She is wearing a short-sleeved, button-down shirt with a dense floral pattern and light-colored trousers with a dark belt. In the background, a cityscape with various buildings and rooftops is visible under a bright sky. The text 'Larbin servile du patronat' is overlaid in large white letters across the lower half of the image.
